IMPORTANT for all Residents: Snow Ordinance and Rules

Winter will undoubtedly come upon us again and sooner than most of us care to think about. Your Trustees want you to be informed, as a Silver Ridge Park North / Berkeley Township Resident, of your responsibilities when it snows.

Silver Ridge Park North Community Clubhouse Rules

1. When there is snow on the Clubhouse Parking Lot, no vehicles will be allowed to park there until the plows have completely cleared the snow from the lot.
2. When the Clubhouse Parking Lot is closed, due to snow not having been plowed, the Clubhouse will also be closed.

Berkeley Township Ordinance No. 04-30-OAB § 7-8.3

7-8.3 Temporary Parking Prohibited for Snow Plowing and Removal.

- a. Whenever snow has fallen and the accumulation is such that it covers the streets and highways, an emergency shall exist, and no vehicle shall be parked on the streets or highways, or portions thereof indicated.

The parking prohibitions listed below (e) shall remain in effect after the snow has ceased, until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.

- b. Any unoccupied vehicle parked or standing in violation shall be deemed a nuisance and a menace to the safe and proper regulation of traffic and any Police Officer may provide for the removal of such vehicle. The owner shall pay the reasonable costs of the removal and storage, which may result from such removal before regaining possession of the vehicle.
- c. The effectiveness of this subsection is contingent upon signs being erected as required by law.
- d. Unless another penalty is expressly provided by New Jersey Statute, every person convicted of a violation of this subsection or any supplement thereto, shall be liable to a penalty of not more than fifty (\$50.00) dollars or imprisonment for a term not exceeding fifteen (15) days or both.
- e. *Streets and Roadways Involved.*
 1. All streets and roadways in the Township of Berkeley, except for State Highways.

SRPN Women's Club Report

Hello Ladies!

Our February meeting will be held on February 19th at 1 PM. We will be playing "Valentine's Day BINGO". There will be five (5) BINGO games played – cards will be given out at no charge. Gift Cards will be given to the winners. Should be fun!

After the meeting, we will be selling tickets for our March 19th St. Patrick's Day Lunch Meeting. Sandwiches will be coming from All American Deli at a cost of \$15 per ticket. A detailed flyer will be posted on the Women's Club bulletin board.

In January, Gail Starr, our Vice President, and I welcomed two new Officers to our Women's Club Board: Donna Charon as our new Treasurer and Sharon Diorio as our new Secretary. Both long-time members of the Women's Club, they bring a fresh outlook and new ideas for future activities and events for our members. Congratulations and thank you, Donna and Sharon!

Last month we began accepting Annual Club Dues with no changes in the amount of the dues. If you have not paid your \$15, please do so at your earliest convenience. Just a reminder, in order to participate on a Women's Club Bocce Ball Team, you must be a club member in good standing, with dues paid to date.

See you soon – stay safe and well!

The Prize

The odds to win the Lottery
Are you v. several mil
And yet we buy a ticket
Even though our luck is nil

The same goes with Casinos
With their glitzy games of chance
As the wheel goes round and round
We watch it in a trance

How often have we played the game
Once-twice-three-times shoot
We shout 'rock-scissors-paper' but
The outcome's often moot

You'd think that we would finally learn
That winning's not the prize
In life, the biggest score of all
Lies in the smallest guise

The sun so bright, the moon at night
A baby's laugh, a smile
It's what happens every day
That makes our lives worthwhile

Oh sure, we dream of all those things
We'd purchase if we won
But believing what we have's enough
Is best in the long run.

NEW TRUSTEES INSTALLED TO SRPN BOARD

Homeowners welcomed the new SRPN Board of Trustees as they were sworn in during the New Business Agenda of the January 8th HOA Meeting.

From left to right: Donna D'Addario (Secretary), Ed DeMeo (Vice President), Miriam Januse (Treasurer), Linda Pisano (President), and Lisa Cashman (Trustee). Due to illness, Sharon Smithline (Trustee) was unable to attend.

Congratulations and thank you all for serving our community!

STILL PAYING IT FORWARD

The Cost of Living & Your Wallet

In case you haven't noticed, food prices have skyrocketed over the past year. While some of our eating habits have changed, for many of us, our shopping habits for food, and household items have not. Here to help, are some shopping methods you should consider.

Buying more than you normally would of the same item, simply because the price per unit is cheaper, isn't always smart. Consider the shelf life, storage and the number of people using the item. If you can't use all of the product before it reaches its maximum shelf life, that's not saving money ... it's money wasted.

Instead of shopping in mainstream supermarkets, try other stores such as Aldi's, Walmart and Target. Buy the store's brand of products instead of the 'name brand' you normally purchase. Granted, some may not be to your liking, but you won't know that unless you try them. The stores I mentioned have their own brands and according to Consumer Reports, in many cases, are very similar in taste and efficiency at about half the cost.

No matter where you choose to shop, always look above and below the shelves where the items you want to purchase. Often times, there are similar but cheaper products available. And avoid the END CAPS at any store. These are usually higher priced items with an incentive, such as "buy one get one" or a similar enticing offer.

Always check the price per ounce, pound, etc. Larger packaging doesn't always mean a better price, especially if you are comparing different brands.

Seriously consider buying frozen fruits and vegetables. Contrary to popular belief, they are fresher and without preservatives because they are flash frozen, and no need to enhance shelf life. More importantly, their cost is only about two thirds the price of canned goods per ounce.

When buying packaged meats whether packed by the manufacturer or wrapped on site, "SELL BY DATES" are very important. If placed on sale, which some are, **freezing the item will negate the SELL BY DATE and is usually good for a month if frozen immediately.** Meats should not be rewrapped but frozen as purchased, unless of course, you vacuum pack it. Cooked ham is an exception; if frozen, it results in a mushy texture. Vacuum pack it, (if it's not already) and keep it in the refrigerator, not the freezer, for up to a month.

Lastly, be sure you are being charged the posted prices for your purchase, especially sale items. Consumer Reports recently found that a 'major food store and its subsidiaries' were charging customers the original prices and used the excuse that they neglected to change the prices on the shelves. There is a remedy for that, however, no remedy works if you do not catch the mistakes.

Complete your checkout process and pay; then move to a neutral spot and review your receipt. If you do find discrepancies, go to Customer Service and bring it to their attention. They will be positively responsive to your complaint and apply corrective measures – they don't want any bad publicity.
